

## 2022 NYE ORDER FORM

*You are invited! WOW, 2022 is wrapping up! Let's celebrate and bring in 2023 together in style. We've created this fantastic menu for you to share with your favorite friends and lovely family. This is your opportunity to create an event just the way you want it. Take a moment to go over the menu; if everything looks good, then great. If there are special dietary needs or anything else to go over please let us know. Now it's time to fill in the blanks so we can get everything perfect for you. When you finish please submit your form and we will respond quickly to schedule a time for a conversation to style out your party. We're excited to serve! Thanks, LA Peacock Team*
